Operations Manager  
Healthy Hearts  
Fairway's Book Club

Hard to believe it is the end of 2011 and we beginning a new year already! We hope everyone and their families had a great holiday season. We would also like to offer a special thanks to all our staff who made 2011 a season to remember at Loyalist.

During the Christmas break, we have been busy at the club. We used this "down time" to have all the carpets and furniture shampooed and extracted. There will be a few signs throughout the club designating which area/items are still slightly damp from the process. You will also note that the stair landings and runners have been replaced in preparation for other areas of the clubhouse to be addressed.

From January 3 until late March the clubhouse hours of operation will not change. The Administration Office

will open on Wednesdays, from 8am to 5pm. If any other assistance is required feel free to either contact any manager and leave a voice message or forward an email to the appropriate manager.

The F&B event dates and info are available on the website calendar or on the calendar posted at the north entrance.

Briefly, the dates for early 2012 are;  
Jan 20 – pub night  
Feb 14 – Valentine's dinner  
Feb 24 – pub night  
Mar 16 – [St](#) Patty's pub night  
Mar 30 – pub night

In closing;

Bill and his wife Sally died and went to Heaven together. They were met at the gates by an angel who was to show them around the place. Right over here, we have our very own golf course! "Wow! It's beautiful! Can we play it now?" they both asked. "Sure!" said the angel.

Therefore, the couple began playing. It was the most beautiful course they had ever seen. Everything was perfect... the fairways, the greens, even the rough. The more they played the more the woman beamed with happiness, but she noticed her husband was becoming disheartened and angry.

Sally confronted her husband on what was wrong. She said, "I can't understand why you're not happy. We're in Heaven! We're together! We're playing on the most beautiful and perfect golf course ever! What's wrong with you?" Bill replied, "If you hadn't fed us those DAMN bran muffins, we'd been here years ago!"

Have a great 2012

Middle of December, no snow on the ground and the Healthy Heart participants have been working themselves into shape preparing for the festive season or perhaps preparing for the journey to the south. Whatever, the reason, the gym has been busy and attendance with most groups has been in the area of 65% with the early morning session Monday, Wednesday and Friday coming in with

82%. Many people have made to all sessions except for 2 or 3 days but the following have perfect attendance and are to be congratulated. Hats off to:

Cathy Tackaberry  
Jack Donaghy  
Penny Chianelli

The stationary bike has returned from minor surgery and all machines have been up and running. The next regular machine check-up is scheduled over the closed holiday period and therefore we should start up the 2012 season with all cylinders running. If at any time you experience any difficulty with one of the units please let your team leader or the Office know of the problem and we will see that it is attended to as quickly as possible.

Some administrative tasks are associated with the Healthy Heart program and with expansion of the community; the time has come to involve additional people in the running of the program. An organization chart outlining basic duties has been posted on the bulletin board and if you think you would like to get involved, take a look at the chart and let me know if you might have an interest.

Happy holidays to everyone and a very Healthy (*Heart*) and prosperous New Year.
