It seems like summer has finally arrived and with a vengeance! Hopefully the extreme heat is gone soon and just 20 degree days remain for the season!

As I am sure everyone is aware by now, the basement repairs have been completed with great success! Please see our website for additional information.

The season has been a busy one so far with many events. Our Ladies and Men's Invitational's were a great success! Thanks to Robert, Norma and their committees for all their efforts!

June 20th we hosted a BBQ for the students of Bath P.S. It was a great end of school year event for the children and staff. Great to see all the smiling faces! Special thanks to Pepsi for donating water for the event, and the Kaitlin Corp for their support. A special thanks goes out to our volunteers who masterfully served over 300 student/faculty in just over an hour! Thank you; Pat Chown, Fran Arbour, Trish Dwyer, Nicole McCuen, Jim Scott, Florence Ann Scott, Howard McGlynn, Nolan Walsh, Ken Jones (and his maintenance crew) for all your efforts....great job!

July has been a busy month with the conclusion of the Ontario Junior Boys Championship through some of the hottest days on record here. The event went off seamlessly, mainly due to the incredible group of volunteers and their leader Dale Henderson. Well done folks again you have showed why we are the greatest golfing community in the land! Unfortunately, when we host the AJGA Championship in August, Dale will be retiring a second time. Your efforts have been outstanding and so much so that the GAO developed a volunteer handbook based on your, and the Clubs handling of events! Unbelievable effort Dale, just sorry to say there are no gold watches here☺! Thank for all the hard work!

We also would like to thank Paul Swinwood for all his efforts throughout this hot spell. Paul singlehandedly stained all of our benches and bag drop area. He also organized a group of volunteers to erect our newly purchased cabana at the pool. Thanks Paul!

While we are thanking people, Cliff Shewfelt was the man behind building the benches (with the support of the ladies league) that now sit at the ladies tees on #11,15. Thanks Cliff and these look great!

We are looking forward to our Canada Day themed back yard party, and our Caribbean themed party in August. Hopefully the weather will cooperate for those two days. Details will follow shortly.

July 20th, we will be hosting our first Chef's table of the season with an opportunity to meet our new Head Chef and Food Service Manager. Please sign up early as space is limited and we do not want anyone to be disappointed.

July 27th, we will be hosting a midsummer pub night featuring Paul Todd with Diamond Productions and a buffet dinner. This will be a pre-register event so please sign up early.

In Closing;

Lee and Gary head out to the golf course for a quick nine holes. On the first tee, Lee turns to Gary and says, "What do you say we make this time worth something. Play you for five bucks?" Gary agrees, and they start their rounds.

It's a great game, and the two lifelong friends reach the No. 9 tee box with Gary ahead by one stroke. After Lee hits a great drive, right down the middle, Gary steps up and promptly hooks a ball into deep rough and trees.

"C'mon," Gary says to Lee, "help me find my ball. I'll look in this patch of trees, and you look around over there."

They look and look and look, but no ball can be found. The five-minute time limit on searching for lost balls is about to run out. Gary gets desperate. He gives a quick glance over to Lee to see if he is looking, then swiftly reaches into his pocket and drops a new ball into the rough.

"Found my ball!" Gary shouts out triumphantly.

Lee looks at his friend with great disappointment. "After all the years we've been friends," Lee says, "you'd cheat me at golf for a measly five bucks?"

"What do you mean cheat?" Gary asks indignantly. "I found my ball sitting right here!"

Lee lets out a heavy sigh. "And you'd lie to me, too? All for a tiny little sum of money? You'd cheat me and lie to me, for what? For five bucks? I can't believe you'd stoop so low."

"Well what makes you so sure I'm cheating and lying, anyway?" Gary asks.

"Because," Lee replies, "I've been standing on your ball for the last five minutes!"

The spring has come and gone and so have some exciting events. The Ontario Junior Championship went off without a hitch thanks to all our amazing volunteers. These events would not be possible without their help and we thank them for selflessly donating their time in order to make these events possible! Special thanks to Dale Henderson who once again stepped up to coordinate all the volunteers! You're the man Dale!

Our first and second events of the Two Person Tour were a great success ... great turnout, great price and great company! Don't miss the next event on August 18th! Pick a partner and sign up with the pro shop ☺

The Mr & Mrs is fast approaching and has filled up super quickly! Thanks to all who have registered and we look forward to seeing everyone on the 22nd for some fun on the links! For those that haven't heard, we are offering a great new special called the Sunday-Monday Ride and Dine. Enjoy 18 holes of golf with a power cart and your choice of meal for \$49 + tax ... yes you read that correctly! \$49 + tax!!! Available after 12 noon any Sunday and Monday throughout the summer!

Looking for some fun with the family? Check out the Family Classic on August 25th! Golf, meal, prizes and fun with the fam for only \$90 per team (\$70 for package holders)! Play with any member of your family, immediate or extended ☺ Sign up with the pro shop!
We have featured a couple Temperature Sales so far this year in the pro shop and they were a huge hit! Keep your eyes peeled for upcoming sales on all of our great pro shop merchandise! Enjoy the rest of the summer!

Basement Repair Update – Please visit our website for complete details

Overview:

- 2016-2017 noticed continued and enhanced moisture issues in various locations throughout the building, during this time the roof was in need of repair
- The first step in diagnosing where the problem had originated was to repair the roof and isolate any further problems
- Once roof was repaired we enlisted an engineering firm to review the building and potential causes for various moisture/leaky areas
- Roof repair completed fall of 2017, many of the areas of concern were rectified but still a few areas of concern existed
- The areas of concern were reviewed with engineer and a plan of action was developed by the engineer
- End of year 2017 it was determined that ground water at the foundation was the problem that needed to be resolved
- At this point we enlisted a local company was enlisted to price, schedule and develop a plan to move ahead with the required repairs
- We began the process to find a contractor capable of handling the removal of the walls etc. as well as the repair work once the floor repairs were completed
- The repair work to the interior floor etc. was to begin the end of march and would encompass approximately 2-3 weeks to complete (this was completed on time)
- A local restoration specialist was recruited begin the remediation process to begin late April (which did occur on schedule)
- During the restoration process a few additional areas of concern were revealed; these areas needed to be addressed and slowed the restoration process
- Completion of the restoration process was finished June 8
